EXECUTIVE OFFICE OF THE PRESIDENT,
OFFICE OF MANAGEMENT AND BUDGET,
Washington, DC, October 28, 1998.

The PRESIDENT,
The White House.

Submitted for your consideration are requests to make available \$732.2 million in previously appropriated emergency funds for the Departments of Agriculture, Defense, Justice, State, Transportation, and the Treasury; the Executive Office of the President; and, Federal Drug Control Programs.

Public Law 105-277, the Omnibus Consolidated and Emergency Supplemental Appropriations Act, 1999, provided a total of \$732.2 million in emergency supplemental funding for counter-drug and narcotics interdiction efforts. The availability of these funds was made contingent upon the President submitting a budget request to the Congress and designating the entire amount requested as an emergency requirement.

I recommend that you designate the amounts totalling the entire \$732.2 million provided, listed on the enclosure, as emergency requirements in accordance with section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended. No further congressional action will be required.

The release of these emergency funds will support anti-activities and drug interdiction, primarily for Coast Guard, Customs Service, Defense Department, and State Department programs. This additional funding will help stem the flow of cocaine and heroin originating in Colombia and Peru.

I have carefully reviewed these proposals and am satisfied that they are necessary at this time. Therefore, I join the heads of the affected Departments and agencies in recommending that you make the requested funds available by signing the enclosed letter to the Speaker of the House of Representatives.

Sincerely,

JACOB J. LEW, *Director.*

Enclosure.
